

Top 10 Suppliers

based on Stock Values

Stock Valuation by Main Supplier as at Monday, 14 July 2008

This report shows the total value of stock held in stores sorted by the Main / Preferred Supplier. It includes items that have been reserved/allocated. The chart above shows the Top 5 Suppliers in terms of stores value. Values shown in red indicate stock bins that have a value over \$1000 (within drill down).

www.PerthCrest.com.au

This is a drill-down report. If you Double Click on a supplier it will open a separate page with all of the individual items listed.
